Survey - Sub-division fees - Moiety to Karnams - payment in the absence of amplified certificate instructions solicited.

Ref:- B.P. No. 3233/31-3 dated 31-10-1931.

The bills that have been received from other Tahsildars, in each case with a report that more than three months elapsed from the date of measurement, are submitted for favour of orders of payment. The reasons for delay are nearly similar to those expressed in this office report on which the above B.P. was issued. So, I have not considered it necessary to send copies of --- Tahsildars' reports explaining delay. As it is possible that more bills of this nature might come, I request that the Board may be pleased to remove the requirement of the certificate as laid down in B.P. No. 3603, dated 7-7-1931, if convenient.
